In addition, the Vendor shall not begin work on any particular project and is not entitled to compensation for any work performed, prior to the parties entering into a Statement of Work (SOW) outlining the tasks necessary for each individual project.

4.04 Contract Amendments

No alteration or variation of the terms of the contract shall be valid unless made in writing and duly signed by the parties thereto. The contract may be amended by written agreement duly executed by the parties. Every such amendment shall specify the date its provisions shall be effective as agreed to by the parties.

4.08 Termination for Bankruptcy

The filing of a petition for voluntary or involuntary bankruptcy of a company or corporate reorganization pursuant to the Bankruptcy Act shall, at the option of the LGHIB, constitute default by the Contractor effective the date of such filing. The Contractor shall inform the LGHIB in writing of any such action(s) immediately upon occurrence by the most expeditious means possible. The Contractor shall have 10 calendar days, or such additional time as agreed to in writing by the LGHIB, after the mailing of such notice to cure any default. In the event the Contractor does not cure a default within 10 calendar days, or such additional time allowed by the LGHIB, the LGHIB may, at its option, notify the Contractor in writing that performance under the contract is terminated and proceed to seek appropriate relief from the Contractor.

4.11 Termination for Convenience

The LGHIB may terminate performance of work under the Contract in whole or in part whenever, for any reason, the LGHIB, in its sole discretion determines that such termination is in the best interest of the LGHIB. The termination shall be effective as of the date specified in the notice. In such event, the Contractor will be entitled only to payment for all work satisfactorily completed and for reasonable, documented costs incurred in good faith for work in progress. The Contractor will not be entitled to payment for uncompleted work, or for anticipated profit, unabsorbed overhead, or any other costs.

4.12 Force Majeure

The parties shall be excused from performance hereunder for any period in which the parties are prevented from performing any services pursuant hereto in whole or in part as a result of an act of God, war, civil disturbance, epidemic, or court order; such nonperformance shall not be a ground for termination for default.

4.14 Proration of Funds

When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be cancelled, and, to the extent permissible by law, the supplier shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the contract. To the extent permissible by law, this cost of cancellation may be paid from any appropriations available for that purpose.

In the event that proration of appropriated funds from which the State is to pay the supplier is declared by the Governor pursuant to Section 41-4-90 of the Code of Alabama, the contractor shall have the option, in addition to the other remedies of the contract, of renegotiating the contract to extend or change payment terms or amounts or terminating the contract. In all circumstances, it is agreed that the terms and commitments of this contract shall not constitute a debt of the State of Alabama in violation of Section 213 of the Constitution of Alabama, as amended.

4.15 Employment of LGHIB Staff

The Contractor shall not knowingly engage on a full-time, part-time, or other basis during the period of the contract any professional or technical personnel, who are or have been in the employment of the LGHIB during the previous 24 months without the written consent of the LGHIB. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

4.17 Novation

In the event of a change in the corporate or company ownership of the Contractor, the LGHIB shall retain the right to continue the contract with the new owner or terminate the contract. The new corporate or company entity must agree to the terms of the original contract and any amendments thereto. During the interim between legal recognition of the new entity and LGHIB execution of the novation agreement, a valid contract shall continue to exist between the LGHIB and the original Contractor. When, to the LGHIB's satisfaction, sufficient evidence has been presented of the new owner's ability to perform under the terms of the contract, the LGHIB may approve the new owner and a novation agreement shall be executed.

4.18 Employment Basis

It is expressly understood and agreed that the LGHIB enters into this agreement with the Contractor and any subcontractor as authorized under the provisions of this contract as an independent contractor on a purchase of service basis and not on an employer-employee basis and not subject to the Alabama State Merit System law.

4.19 Alternative Dispute Resolution

In the event of any dispute between the parties, senior officials of both parties shall meet and engage in a good faith attempt to resolve the dispute. Should that effort fail and the dispute involves the payment of money, a party's sole remedy is the filing of a claim with the Board of Adjustment of the State of Alabama. For any and all other disputes arising under the terms of this contract which are not resolved by negotiation, the parties agree to utilize appropriate forms of non-binding alternative dispute resolution including, but not limited to, mediation. 4.21 Records Retention and Storage

The Contractor shall maintain financial records, supporting documents, statistical records, and all other records pertinent to the LGHIP Program for a period of three years from the date of the final payment made by the LGHIB to the Contractor under the contract. However, if audit, litigation, or other legal action by or on behalf of the LGHIB has begun but is not completed at the end of the three-year period, or if audit findings, litigation, or other legal action have not been resolved at the end of the three-year period, the records shall be retained until resolution.

Under no circumstances will the Contractor be compensated for off-duty hours while travelling. No payments to third parties will be made directly to any entity other than the approved firm.

4.24 Notices to Parties

Any notice to the LGHIB under the contract shall be sufficient when mailed to the Chief Executive Officer. 4.25 Disclosure Statement

The successful Vendor(s) shall be required to complete a financial disclosure statement (Attachment C) with the executed contract.

4.26 Not to Constitute a Debt of the State

It is further agreed that if any provision of this contract shall contravene any statute or Constitutional provision or amendment, whether now in effect or which may, during the course of this Contract, be enacted, then that conflicting provision in the contract shall be deemed null and void. Regardless of cause, late proposals will not be accepted and will automatically be disqualified from further consideration. It shall be the Vendor’s sole responsibility to assure delivery to the LGHIB by the designated deadline.

5.10 Proposal Offer and Withdrawal

A proposal may not be modified, withdrawn or canceled by the Vendor for a 180-day period following the deadline for proposal submission as defined in the Procurement Timetable and the Vendor so agrees in submitting the proposal.

Prior to the proposal due date, a submitted proposal may be withdrawn by submitting to the LGHIB a written request for withdrawal which is signed by the Vendor.

5.11 Cost of Preparing Proposal

Cost for developing the proposal is the sole responsibility of the Vendor. The LGHIB will not provide reimbursement for such cost.

5.12 Right of Negotiation

Discussions, negotiations and requests for additional information regarding price and other matters may be conducted with a Vendor who submits a proposal determined to be reasonably susceptible of being selected for award, but a proposal may be accepted without such discussions.

The Board reserves the right to further clarify and/or negotiate on any matter submitted.

5.13 Order of Precedence

In the event of inconsistencies or contradictions between language contained in the RFP and a Vendor's response, the language contained in the RFP will prevail. Should the LGHIB issue addenda to the original RFP, then said addenda, being more recently issued, would prevail against both the original RFP and the Vendor's proposal in the event of an inconsistency, ambiguity, or conflict.

5.14 LGHIB's Rights Reserved

While the LGHIB has every intention to award a contract as a result of this RFP, issuance of the RFP in no way constitutes a commitment by the LGHIB to award and execute a contract. Upon a determination such actions would be in its best interest, the LGHIB, in its sole discretion, reserves the right to:

- Cancel or terminate this RFP;
- Reject any or all of the proposals submitted in response to this RFP;
- Change its decision with respect to the selection and to select another proposal;
- Waive any minor irregularity in an otherwise valid proposal which would not jeopardize the overall program and to award a contract on the basis of such a waiver (minor irregularities are those which will not have a significant adverse effect on overall project cost or performance);
- Negotiate with any Vendor whose proposal is within the competitive range with respect to technical plan and cost;
- Adopt to its use all, or any part, of a Vendor's proposal and to use any idea or all ideas presented in a proposal;
- Amend the RFP (amendments to the RFP will be made by written addendum issued by the LGHIB and will be posted on the LGHIB website);
- Select multiple Vendors;
- Release a new RFP for the same or revised services;
- Not award any contract.

5.15 Disclosure of Proposal Contents

Proposals and supporting documents are kept confidential until the evaluation process is complete and a Vendor has been selected. The Vendor should be aware that any information in a proposal may be subject to disclosure and/or reproduction under Alabama law. Designation as proprietary or confidential may not protect any materials included within the proposal from disclosure if required by law.

The Vendor should mark or otherwise designate any material that it feels is proprietary or otherwise confidential by labeling the page as "CONFIDENTIAL" on the bottom of the page. The Vendor must also state any legal authority as to why that material should not be subject to public disclosure under Alabama open records law and is marked as Proprietary Information. Information contained in the Financial Proposal may not be marked confidential. The LGHIB assumes no liability for the disclosure of information not identified by the Proposer as confidential. If the Proposer identifies its entire proposal as confidential, the LGHIB may deem the proposal as non-compliant and may reject it.

The Vendor agrees to intervene in and defend any lawsuit brought against the LGHIB for its refusal to provide Vendor's alleged confidential and/or proprietary information to a requesting party. The LGHIB shall provide Vendor written notice of any such lawsuit within ten (10) days of receipt of service by the LGHIB. Vendor shall intervene within thirty (30) days of notice or will be deemed to have waived any and all claims that information contained in the proposal is confidential and/or proprietary and any and all claims against LGHIB for disclosure of Vendor's alleged confidential and/or proprietary information.

II. Obligations of Business Associate

- a. Business Associate agrees not to use or disclose PHI other than as permitted or required by this Agreement or as Required by Law. Business Associate will take reasonable efforts to limit requests for, use and disclosure of PHI to the minimum

necessary to accomplish the intended request, use or disclosure and comply with 45 CFR 164.502(b) and 514(d).

- b. Business Associate agrees to use appropriate safeguards to prevent use or disclosure of the PHI other than as provided for by this Agreement. Business Associate shall implement administrative, physical, and technical safeguards (including written policies and procedures) that reasonably and appropriately protect the confidentiality, integrity, and availability of ePHI that it creates, receives, maintains, or transmits on behalf of the Covered Entities as required by the Security Rule.
- c. Business Associate agrees to report to Covered Entities any use or disclosure of PHI, other than as provided for by this Agreement, promptly after Business Associate has actual knowledge of such use or disclosure, and to report promptly to the Covered Entities all Security Incidents of which it becomes aware as determined by Business Associate except that, for purposes of this Security Incident reporting requirement, the term "Security Incident" shall not include unsuccessful unauthorized access, use, disclosure, modification or destruction of information or interference with system operations in an information system of which it becomes aware as determined by Business Associate. Following the discovery of a breach of unsecured PHI, Business Associate shall notify Covered Entities of such breach without unreasonable delay, and in no event later than thirty (30) calendar days after such discovery. The notification will include the identification of each individual whose unsecured PHI has been, or is reasonably believed to have been, accessed, acquired or disclosed during the breach. A breach shall be treated as discovered as of the first day on which such breach is known or reasonably should have been known to Business Associate. Any notices required to be delivered by Covered Entities hereunder shall be at the expense of the Business Associate.
- d. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI by Business Associate in violation of this agreement or applicable regulations.
- e. Business Associate agrees to ensure access to ePHI is limited to workforce members who require such access because of their role or function.
- f. Business Associate agrees to implement safeguards to prevent its workforce members who are not authorized to have access to such ePHI from obtaining access and to otherwise ensure compliance by its workforce with the Security Rule.
- g. Within fifteen (15) business days of receiving a request from Covered Entities, Business Associate agrees to implement restrictions on use or disclosure of PHI

agreed to by the Covered Entities on behalf of an Individual in accordance with 45 CFR164.522(a).

- h. Within fifteen (15) business days of receiving a request from Covered Entities, Business Associate agrees to honor requests for alternative communications agreed to by Covered Entities on behalf of an individual in accordance with 45 CFR164.522(b).
- i. In accordance with 45 CFR 164.502(e)(1)(ii) and 164.308(b)(2), if applicable, Business Associate agrees to ensure that any subcontractors that create, receive, maintain, or transmit protected health information on behalf of the Business Associate agree to the same restrictions, conditions, and requirements that apply to the Business Associate with respect to such information, including agreeing in writing to implement the same reasonable and appropriate safeguards that apply to Business Associate to protect the Covered Entities' ePHI.
- j. If Business Associate maintains PHI in a Designated Record Set, Business Associate agrees to make available to Covered Entities, within a reasonable time, such information as Covered Entities may require to fulfill Covered Entities' obligations to respond to a request for access to PHI as provided under 45 CFR §164.524 or to respond to a request to amend PHI as required under 45 CFR §164.526. Business Associate shall refer to Covered Entities all such requests that Business Associate may receive from Individuals. If Covered Entities request Business Associate to amend PHI in Business Associate's possession in order to comply with 45 CFR §164.526, Business Associate shall effectuate such amendments no later than the date they are required to be made by 45 CFR §164.526; provided that if Business Associate receives such a request from Covered Entities less than ten (10) business days prior to such date, Business Associate will effectuate such amendments as soon as is reasonably practicable.
- k. If applicable, Business Associate agrees to provide to Covered Entities, within a reasonable time, such information necessary to permit Covered Entities to respond to a request by an Individual for an accounting of disclosures as provided under 45 CFR §164.528. Business Associate shall refer to Covered Entities all such requests which Business Associate may receive from individuals.
- l. Upon reasonable notice, Business Associate agrees to make its internal practices, books, and records relating to the use and disclosure of PHI available to the U.S. Secretary of Health and Human Services, or an officer or employee of that Department to whom relevant authority has been delegated, at Covered Entities' expense in a reasonable time and manner, for purposes of the Secretary determining Covered Entities' compliance with the Privacy Rule.

m. Notwithstanding any other provision in this agreement, Business Associate hereby acknowledges and agrees that to the extent it is functioning as a Business Associate of Covered Entities, Business Associate will comply with the HITECH Business Associate provisions and with the obligations of a Business Associate as prescribed by HIPAA and the HITECH Act. Business Associate and the Covered Entities further agree that the provisions of HIPAA and the HITECH Act that apply to Business Associates, and that are required to be incorporated by reference in a Business Associate Agreement, are incorporated into this agreement between Business Associate and Covered Entities as if set forth in this agreement in their entirety.

III. Permitted uses and disclosures by Business Associate

Except as otherwise limited in this Agreement, Business Associate may:

- a. Use or disclose PHI on behalf of the Covered Entities, if such use or disclosure of PHI would not violate the Privacy Rule, including the minimum necessary standard, if done by the Covered Entities.
- b. Use or disclose PHI to perform the services outlined in any and all services agreements, or other contracts, entered into between Covered Entities and Business Associate.
- c. Use PHI for the proper management and administration of Business Associate or to fulfill any present or future legal responsibilities of Business Associate.
- d. Disclose PHI for the proper management and administration of Business Associate, or to fulfill any present or future legal responsibilities of Business Associate, provided that such disclosure is either required by law or Business Associate obtains reasonable assurances from any person to whom PHI is disclosed that such person will: (i) keep such information confidential, (ii) use or further disclose such information only for the purpose for which it was disclosed to such person or as required by law, and (iii) notify Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.
- e. Use PHI to provide data aggregation services relating to the health care operations of the Covered Entities, as provided in 45 CFR §164.501.
- f. To create de-identified data, provided that the Business Associate de-identifies the information in accordance with the Privacy Rule. De-identified information does not constitute PHI and is not subject to the terms and conditions of this Agreement.
- g. Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with 45 CFR 164.502(j)(1).

IV. Obligations of Covered Entities

- a. Covered Entities shall notify Business Associate of any facts or circumstances that affect Business Associate's use or disclosure of PHI. Such facts and circumstances include, but are not limited to: (i) any limitation or change in Covered Entities' notice of privacy practices, (ii) any changes in, or withdrawal of, an authorization provided to Covered Entities by an Individual pursuant to 45 CFR §164.508; and (iii) any restriction to the use or disclosure of PHI that Covered Entities has agreed to in accordance with 45 CFR §164.522.
- b. Covered Entities warrant that they will not request Business Associate to use or disclose PHI in any manner that would not be permissible under the Privacy Rule or is not otherwise authorized or permitted under this Agreement.
- c. Covered Entities acknowledge and agree that the Privacy Rules allow the Covered Entities to permit Business Associate to disclose or provide access to PHI, other than Summary Health Information, to the Plan Sponsor only after the Plan documents have been amended to provide for the permitted and required uses and disclosures of PHI and to require the Plan Sponsor to provide a certification to the Plan that certain required provisions have been incorporated into the Plan documents before the Plan may disclose, either directly or through a Business Associate, any PHI to the Plan Sponsor.
- d. Covered Entities agree that they will have entered into Business Associate Agreements with any third parties to whom Covered Entities direct and authorize Business Associate to disclose PHI.

V. Effective date: termination

- a. The effective date of this agreement shall be the date this agreement is signed by the parties.
- b. This agreement shall terminate on the date Business Associate ceases to be obligated to perform the functions, activities, and services described in Article III Sections A and B.
- c. Upon Covered Entities' knowledge of a material breach by Business Associate of this Agreement, Covered Entities shall notify Business Associate of such breach and Business Associate shall have thirty (30) days to cure such breach. In the event Business Associate does not cure the breach, or cure is infeasible, Covered Entities shall have the right to immediately terminate this Agreement and any underlying

services agreement. If cure of the material breach is infeasible, Covered Entities shall report the violation to the Secretary.

- d. Upon termination of this agreement, Business Associate will return to Covered Entities, or if return is not feasible, destroy, any and all PHI that it created or received on behalf of Covered Entities and retain no copies thereof. If the return or destruction of the PHI is determined by Business Associate not to be feasible, or if Business Associate is required by law to retain such information or copies thereof, Business Associate will maintain the PHI for the period of time required under applicable law, or in accordance with Business Associate's internal record retention schedule as in effect from time to time, whichever is longer, after which time Business Associate shall return or destroy the PHI.
- e. Business Associate's obligations under Sections II and III above shall survive the termination of this agreement with respect to any PHI so long as it remains in the possession of Business Associate.

VI. Other provisions

- a. The parties acknowledge that the foregoing provisions are designed to comply with the mandates of the Privacy and Security Rules and the HITECH Standards. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for compliance with the requirements of the HIPAA Rules and any other applicable law. If the parties are unable to reach agreement regarding an amendment within thirty (30) days of the date that Business Associate receives any written objection from Covered Entities, either party may terminate this Agreement upon ninety (90) days written notice to the other party. Any other amendment to the Agreement unrelated to compliance with applicable law and regulations shall be effective only upon execution of a written agreement between the parties.
- b. Except as it relates to the use, security and disclosure of PHI and electronic transactions, this agreement is not intended to change the terms and conditions, or the rights and obligations, of the parties under any other services agreement between them.
- c. Business Associate agrees to defend, indemnify and hold harmless Covered Entities, their affiliates and directors, officers, employees, agents or assigns from and against any and all actions, causes of action, claims, suits and demands whatsoever, and from all damages, liabilities, costs, charges, debts, fines, government investigations, proceedings, and expenses whatsoever (including reasonable attorneys' fees and expenses related to any litigation or other defense of any claims), which may be

asserted, or for which it may now or hereafter become subject, arising in connection with (i) any misrepresentation, breach of warranty or non-fulfillment of any undertaking on its part under this agreement; and (ii) any claims, demands, awards, judgments, actions, and proceedings made by any person or organization arising out of, or in any way connected with, Business Associate’s performance under this agreement.

d. Nothing express or implied in this agreement is intended to confer, nor shall anything herein confer, upon any person other than Covered Entities, Business Associate, and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

e. Any ambiguity in this agreement shall be resolved in favor of a meaning that permits the Covered Entities to comply with the Privacy and Security Rules and the HITECH Standards.

f. If any provision of this Agreement is held illegal, invalid, prohibited or unenforceable by a court of competent jurisdiction, that provision shall be limited or eliminated in that jurisdiction to the minimum extent necessary so that this agreement shall otherwise remain in full force and effect and enforceable.

g. This Agreement shall be governed by and construed in accordance with the laws of the state of Alabama to the extent not preempted by the privacy or security or other applicable federal law.

h. This Agreement replaces and supersedes in its (their) entirety any prior Business Associate Agreement(s) between the parties.

In witness whereof, this agreement has been signed and delivered as of the date first set forth above.
